

Memorandum for the Record

On January 28, Mr. Perry in EUR/SOV telephoned me concerning the letter of February 26 1962 from Khrushchev to President Kennedy.

I told him we had received a similar request by way of RS. He said that Dick Davies is in favor of declassifying the letter. Perry said SOV has a letter (to which interim reply has been made) from Senator Gurney (sp?), as the result of an inquiry from a constituent.
